WELCOME SPEECH

Dear Esteemed Colleagues, Distinguished Guests, and Friends,

On behalf of the Indonesian Association of Head and Neck Surgery, it is with great honor and heartfelt joy that we welcome you to the 11th Annual Scientific Meeting – PIT PEBKLI XI.

This year's congress, held from July 23rd to 25th 2026, carries the theme “Emphasizing new perspectives supported by strong fundamental scientific knowledge.” It reflects our collective commitment to advancing the field of head and neck surgery through innovation, collaboration, and the strengthening of scientific foundations.

We are privileged to host both national and international experts, keynote speakers, and dedicated professionals who will share their insights and experiences. The program includes not only the Main Congress but also the Post-Congress Workshop

This gathering is more than a scientific meeting—it is a celebration of knowledge, skill, and unity. Together, we aim to foster meaningful discussions, inspire new ideas, and strengthen the bonds within our professional community.

We extend our deepest gratitude to all participants, speakers, sponsors, and organizing committees whose dedication has made this event possible. May PIT PEBKLI XI be a memorable milestone in our shared journey of advancing surgical excellence for the benefit of patients and society.

Welcome to Jakarta, welcome to PIT PEBKLI XI, and let us embark on this inspiring scientific journey together.
